# Aims and Scope

The *European Heart Journal* is an international, English language, peer-reviewed journal dealing with Cardiovascular Medicine. It is an official Journal of the European Society of Cardiology and is published twice monthly.

The *European Heart Journal* aims to publish the highest quality material, both clinical and scientific, on all aspects of Cardiovascular Medicine. It includes articles related to research findings, technical evaluations, and reviews. In addition it provides a forum for the exchange of information on all aspects of Cardiovascular Medicine, including education issues.

The *European Heart Journal* is cited in: Science Citation Index, SCISearch, Research Alert, Medical Documentation Service, Current Contents/Clinical Medicine, Chemical Abstracts, EMBASE and Index Medicus. The 2007 Impact factor was 7.924.

A subscription to *European Heart Journal* comprises 24 issues (includes *European Heart Journal Supplements*). All prices include postage, and for subscribers outside the UK delivery is by Standard Air. Publish-Ahead-of-Print contains papers that have reached corrected proof stage, but have not yet been included within an issue. Publish-Ahead-of-Print is updated daily.
